Description

Nathanael Greene lost almost every battle he fought in the American Revolution, and still drove the British army out of the entire American South. Here are his three greatest tactical moves: the Race to the Dan, the Battle of Guilford Courthouse, and the reconquest of the South at Eutaw Springs, the campaign that sent Cornwallis marching to his surrender at Yorktown.

Chapters

0:00 Intro: the South is lost
2:09 Move 1: The Race to the Dan
6:42 Move 2: Guilford Courthouse
10:44 Move 3: The Reconquest of the South
14:35 Yorktown and Greene's legacy

Which commander should we cover next? Tell us in the comments.
